

One to One Mentoring

The One to One session tutoring is tailored according to your mobile needs and focus on increasing your productivity and mobile skills.

The session will take place in the comfort of your office and will be scheduled at your convenience to avoid disrupting your job and will ensure a better use of your mobile device.

The goals in this training will be:

- Maximize Mobile Use Efficiency
- Minimizes downtime using new technology

Schedule the training

Your IT or Sales Representative will reach out to CellphTech to schedule the date and time of the one on one session and customize the personal training to fit your needs.

Developing your mobile Skills

You will benefit from the knowledge and expertise of our highly trained specialists who will walk you step by step and show you how to maximize the use of your mobile device with calling and data features such as : Voicemail, voicemail , email , Internet browsing , synchronization , Bluetooth pairing and other features you can choose from.

The One hour session will save you time and avoid you frustration that comes often with learning new technology.

Training Guides

Every attendee will receive in addition to the hands on training a guide covering the main topics and will serve as a quick reference after the training.

User benefits from the training
